

# New Bicentennial Bikeway changes

From **late January 2009** changes will affect the the Bicentennial Bikeway.

Changes include

- an extension of the initial diversion maintaining all required safety features
- installation of a temporary ramp from the diversion to the existing bikeway
- ramp will feature a non-slip surface
- ramp will be at a gradient of 7.5 per cent, similar to other sections of the bikeway in the vicinity

PLEASE SLOW DOWN

For more information phone **1800 HALE ST (425 378)**.
