Dear Mr French

Thank you for your letter of 25 July 2008 concerning the issue of cycling infrastructure for Brisbane's northern suburbs. I have been requested to reply to you on the Premier's behalf.

The Premier notes your concerns and understands that this matter is being considered by government agencies. Managing congestion is an important priority for the Government including encouraging cycling and use of alternative modes of transport. Accordingly, this matter has been referred to the Honourable Reginald Mickel MP, Minister for Transport, Trade, Employment and Industrial Relations for his consideration and direct reply to you.

Please be assured that Minister Pitt will give this matter his full consideration.

Again, thank you for bringing your concerns to the Premier's attention.

Yours sincerely

Phil Reeves MP
Parliamentary Secretary to the Premier of Queensland
