
Agenda item: Minutes and Matters Arising

Presenter: Various

Discussion:

Aaron Wray queried whether the second last point on page 4?) should have been 'externally' rather than 'internally'. After discussion it was agreed PM would include "or externally" to minutes. Minutes accepted.

Details on changes to Commonwealth workers' compensation provisions are on website (include on future agenda) – possible implications for, and extension to, Queensland compensation provisions discussed

Normanby extension: CBD BUG is still waiting to be advised in writing of extension to project, as per telephone advice. Aaron Wray reported improved signage and wider paths on Gregory Terrace. PM to follow up with Queensland Transport.

NSBT: see agenda item below.

Bicycle Queensland: heard nothing further re new staff member. Expectation is that the new Development Officer will attend CBD BUG meetings. Paul Murdoch to follow up.

Action items

- ✓ Update minutes
- ✓ Follow up lack of written advice re Normanby project extension
- ✓ Follow up BQ Development Officer attendance at CBD BUG meetings

Agenda item: Active Transport Unit (BCC) Update

Presenter: Scott Evans

Discussion:

Detour: Northside through Downey park – detour until lighting is installed

BCC is installing 6 cycle pods near Ferry terminals. There have been none planned for the CBD because of the future Brisbane Bicycle Centre at King George Square. The pods hold 8 bikes and the user has the option to lock their bike in 3 places. BCC will monitor usage and evaluate in 6-12 months time. Future agenda item (Dec 07): ask ATU for results of evaluation.

Lighting of bikeways: SE discussed process of how projects get approval and how they are prioritized.

Bike Signage in CBD: ATU are waiting for the brackets to arrive and hope they will be installed shortly.

Bike cage at Orleigh Park, West End:

- Usage fee has been reduced from \$55 to \$25

Work on SE Bikeway near Taringa: member reported that the path had been ripped up, concrete relaid and banana bars added. Scott Evans to investigate and report back.

Paul Murdoch reminded everyone that issues and faults reported or raised with Council should be directed through the BCC call centre on 3403 8888 (to ensure measurement).

Action items

- ✓ log cycling requests/issues/complaints with BCC call centre
- ✓ Investigate works on SE Bikeway near Taringa

June Meeting

Agenda item: NSBT

Presenter: Paul French & Aaron Wray

Discussion:

NSBT: (South)

- Paul French reported that Stage 3 had commenced and would be in place until late 2007.
- Installation of lights at Bourke and Ipswich Roads has commenced
- The Joint Venture have now appointed a new traffic manager (replacing Dean Jones), and with the appointment of the new Development Officer at BQ, Paul suggested it was time to recommence the regular '4-way' meetings.

NSBT: (North)

- Aaron Wray reported no changes.
- Closing the ICB shoulder: there is a sign telling cyclists to deviate. Ignore the sign if you are part of the road traffic.

Action items	Person responsible	Deadline
✓ Recommence '4-way' meetings	Paul French	asap
✓ Continue to raise issues, queries and concerns with Paul French (southside) and Aaron Wray (northside)	All	On-going
✓ Continue to liaise with NSBT JV	Paul French / Aaron Wray	On-going

Agenda item: Ride of Silence **Presenter:** Aaron Wray

Discussion:

- Possible article in Courier Mail Saturday 19/5/07.
- Article in MX
- Leslie Martin suggested CBD BUG plan to organize this event in future. Paul Murdoch mentioned that some members had expressed reservations about the ride, concerned that it might discourage cycling by focusing on the negatives and dangers of cycling. Several members strongly supported the benefits of the ride.

Aaron Wray agreed that he was organizing the event on his own and not under the banner of CBD BUG. The issue of future association and involvement in future Rides of Silence to be added to a future agenda (Feb 2008) for discussion.

Conclusions: Further detailed discussion required.

Agenda item: Eastern Busway **Presenter:** Donald Campbell & Paul Murdoch

Discussion:

- Donald's name not on minutes which leads him to assume that these were not the latest minutes but the previous ones. He also noticed that a number of points of discussion at the meeting were not noted on the minutes provided to CBD BUG. Paul Murdoch also reported that communication with the project team had been 'fitful' and that he had to chase them four times to receive this out-of-date material
- CBD BUG did not lodge a submission – missed deadline
- CBD BUG looking for a volunteer to represent CBD BUG on this project
- Peter Whittle asked what was being done by other groups such as EastBug and BQ and suggested that we could review their submissions and, if we agree, support them. CBD BUG to email EastBug and BQ for copies of their submissions.

Conclusions: Further detailed discussion required.

Action items	Person responsible	Deadline

Agenda item: State Cycle Committee **Presenter:** John Nightingale

Discussion:

- Most recent meeting held on Wednesday 7 May 2007
- Evolved into a series of reports (mostly self-congratulatory)
- Items of interest were:
 - o Australian Bicycle Council has prioritized some research projects but has not allocated any timeframes. List is on website (<http://www.austroads.com.au/abc/>)
 - o Qld Cycle Strategy implementation
- SCC minutes will be posted on CBD BUG website (as have past minutes)

Agenda item: Review of CBD BUG Structure, operations and priorities **Presenter:** Leslie Martin

Leslie Martin suggested that in light of the CBD BUG growth, range of activities and length of existence, a review of its structure, operations and priorities was warranted. This was agreed, and Leslie agreed to co-ordinate the planning of such a review. Volunteers are sought to be involved in shaping the future of CBD BUG. Those interested will meet 3:00pm Sunday 10th June to start discussions. (email Leslie for location of gathering)

If interested in providing comments or input without being on the working group, please email Leslie on Leslie.Martin@premiers.qld.gov.au.

Action items	Person responsible	Deadline
