

Changes to Bicentennial Bikeway

Notice to pedestrians and cyclists - changes will be occurring on the Bicentennial Bikeway at Milton.

- Approximately 300 metres of shared pathway within the Hale Street Link project zone will be fenced and narrowed to 3 metres width.
- Shared pedestrian and cyclist movements along the Bicentennial Bikeway will remain at this time.
- Short term closures may be required with possible 5 minute delays - traffic control will be in place during these closures.
- Handrails exist on construction fencing to prevent ground level trip hazards.
- Signage will be placed to remind pedestrians and cyclists of recommended construction zone safety precautions.
- Ongoing changes will be in effect from July 2008 to mid 2010 to allow construction of the Hale Street Link project.

Thank you for your patience and please proceed with caution.

For further information phone the Hale Street Link Alliance on **1800 HALEST (1800 425 378)**, or log on to **www.halestreetlink.com.au**.

Dedicated to a better Brisbane
