

# Boggo Road Busway

## information notice

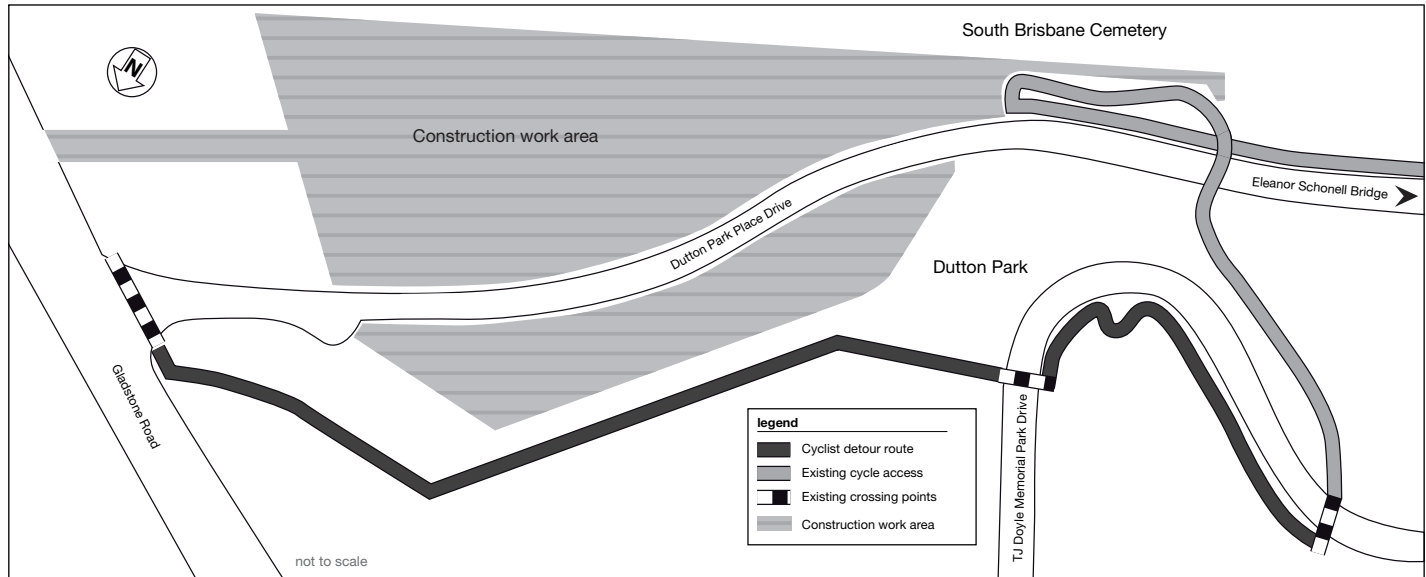

Construction of the Boggo Road Busway is progressing. Work has now begun on the section of busway between the Boggo Road Gaol and the Eleanor Schonell Bridge in Dutton Park.

The Boggo Road Busway project team realises how important Dutton Park is to community members and park users. With this in mind, the project team is committed to minimising impacts on the park wherever and whenever possible.

## planned activity

Changes to cycle access through Dutton Park, connecting Annerley and Gladstone Roads with the Eleanor Schonell Bridge, will occur from **Monday 14 January 2008 to Sunday 30 March 2008**.

Cycle access will be maintained at all times but the route will change slightly, see below for details.

## further information

For further information about the project please contact the Boggo Road Busway project team:
