

South Brisbane/Kurilpa Park pedestrian and cycle pathway upgrade Construction works advance notification

Project enquiries: 1800 727 923

The following works will take place between Monday 7 March and Sunday 20 March 2011 (weather permitting).

Date	Site location	Work being carried out
Kurilpa Park pathway upgrade		
7 – 20 March	Kurilpa Park	<ul style="list-style-type: none">• Ongoing landscaping works• Installing lights along pathway• Completing construction of pathway

While construction activities for this bikeway were delayed due to the floods, the project team expects all work to be completed by late March 2011, weather permitting.

TRAFFIC AND COMMUNITY IMPACTS

- Construction works will occur between 7am and 5pm, Monday to Saturday. It is also likely that some construction work will need to be undertaken on Sundays and at night.
- For the duration of the Kurilpa Park works cyclists will be required to use an alternative on-road route via Montague Road. Please travel carefully.
- Pedestrian access through the park will be maintained during daylight hours only. Pedestrians are advised to use an alternative route via the footpath on Montague Road after dusk.
- Pedestrians are to follow the directions on signage at all times and to proceed with caution through the construction zone.

CONTACT AND ENQUIRIES
